

**Phyllis and Harvey Sandler School of Social Work
Florida Atlantic University**

**Doctor of Social Work in Clinical Practice Program
Information Session**

**Tuesday, November 27, 2018 [6:00 PM-7:30 PM]
Room: ED 125 [College of Education Building]**

The Phyllis and Harvey Sandler School of Social Work is pleased to host the Doctor of Social Work Program Information Session. The Information Session will outline the key features of the doctoral program and the benefits of pursuing clinical social work doctoral education at Florida Atlantic University. Potential applicants will be introduced to the doctoral program's structure, curriculum and admission process. The Doctoral Program Coordinator, Dr. Manny J. González, will be present to answer any questions that you might have—and current doctoral students will share their experiences in the program as clinical scholars-in-training. We look forward to meeting you—and learning more about your interest in our Doctor of Social Work Degree Program—at our upcoming Information Session.

RSVP: If you plan to attend the Information Session, kindly confirm your attendance by emailing Dr. Manny J. González, Doctoral Program Coordinator, at:
